Transmission of Formal Drawings

Sir:

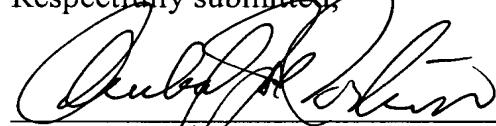

Attached are twelve (12) sheets of formal drawings for the above-identified patent application. The Notice of Allowability requires corrected drawings including changes required by the Notice of Draftsperson's Patent Drawing Review attached to Paper No. 4, which Drawing Review was dated March 22, 1999. The attached sheets of formal drawings were submitted well after that date, on January 19, 2000, and correct the defects objected to by the Draftsperson.

In the event those previously-filed drawings have been misplaced, the drawings attached hereto are being filed out of an abundance of caution to comply
